

# HEAVY DUTY SPARE TIRE COVER

Designed to fit Jeep Wrangler and Ford Bronco spare tires with backup camera

Universal Fit 1 Year Warranty Covercraft Exclusive

BLACK

## OVERVIEW

Protect your spare tire with a heavy-duty tire cover designed to last and weather the storms. This version is for modern vehicles that have spare tire mounted backup cameras. Hole cut in the center allows your camera to work unobstructed while protecting your spare tire. Textured-finish vinyl fabric is available in four sizes, in black only.

## KEY FEATURES

- Available in Superior Vinyl Fabric
- Double Needle Seam Construction
- Multi-strand Shock Cord in Hem
- Easy Installation - Clips on End of Shock Cord
- Camera Opening in Center
- Warranty: 1-Year

## FEATURE SPOTLIGHT

Camera Opening
